

Semi colon by Jo Black Allinthefolds

72 folds 144 pages. Central in a 19cm book

No part of the pattern is to be sold or shared. Books made using it can be sold

These measurements describe where you will have to fold the pages of your book.

All measurements are given in cm.

The first number indicates the sheet/leaf number,  
Both marks are measured from the top of the book.  
you then fold the upper corner down to the 1<sup>st</sup> mark,  
then fold the lower corner up to the 2<sup>nd</sup> mark
